## WHAT IS NEOPREP®?

NeoPREP® is a 7-day intensive review of neonatal-perinatal medicine that emphasizes the process of evidence-based clinical decision making and focuses on the scientific basis for the clinical practice of neonatology. The course is, also, a preparatory education program based on the content specifications outline developed by the American Board of Pediatrics (ABP) for the neonatal-perinatal subspecialty.

The course content has been developed at an advanced level and is appropriate for individuals preparing for the ABP initial neonatal-perinatal subspecialty examination, as well as for individuals preparing for the examination required by the ABP for Part III of Maintenance of Certification™ (MOC).

NeoPREP® emphasizes a learner-centered educational approach featuring lectures, interactive mini-lectures, question-and-answer sessions, group case-based discussions, and mock-review question sessions to provide balanced views of the more controversial issues in neonatal-perinatal medicine. A comprehensive syllabus will be provided to each participant.

## AAP SECTION ON PERINATAL PEDIATRICS

Founded in 1974, this AAP Section is composed of members who have a special interest in practicing in the fields associated with or related to neonatal-perinatal medicine. The Section was formed for the purpose of improving the care of pregnant women, fetuses, newborn infants, and families by providing an educational forum for the discussion of problems relating to pregnancy, parturition, and perinatal pediatrics.

Membership in the Section is open to Fellows of the AAP and approved Section affiliates who are actively involved in the fields associated with or related to perinatal pediatrics.

The Section contributes to the mission of the AAP by providing quality educational programming for its members. The Section's involvement is national in scope with respect to published materials, and it continuously serves in a consulting capacity to the AAP Board of Directors on matters relating to the fetus and newborn. To join the Section, call 800/433-9016, extension 5897.

## COURSE CONTENT

### NeoPREP® covers content in the following areas:

- Analysis/Interpretation of Evidence
- Asphyxia and Resuscitation
- Fetal and Neonatal Development
- Bilirubin Metabolism
- Cardiology
- Dermatology
- Endocrinology
- Fluid and Electrolyte Metabolism
- Gastroenterology and Nutrition
- Genetics and Dysmorphology
- Hematology and Oncology
- Infection and Immunology
- Nephrology
- Neurology
- Ethics
- Pharmacology
- Pregnancy, Prenatal Care, Labor and Delivery
- Pulmonology
- Perinatology
- Resuscitation
- Surgical Emergencies

## ACKNOWLEDGMENTS

The AAP gratefully acknowledges support for the 2012 NeoPREP® course in the form of educational grants from:

**“Excellent, up-to-date, evidence-based comprehensive, friendly atmosphere.”**

– Prakash M. Kabbur, MD

## UPON COMPLETION OF THE NEOPREP® COURSE YOU SHOULD BE ABLE TO:

- Integrate evidence-based treatments and recent developments and research into the practice of neonatal-perinatal medicine
- Diagnose and manage complex or difficult neonatal-perinatal cases through interactive case analysis
- Identify learning gaps through review of the full spectrum of neonatal-perinatal topics and develop an improvement plan
- Discuss neonatal-perinatal practice issues through informal learning in group case-based discussion sessions, interaction with faculty, and networking opportunities with peers in order to improve patient care

## CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 51.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 51.25 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credits*™ from organizations accredited by the ACCME.

This program is accredited for 51.25 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

## SESSION DESCRIPTIONS

NeoPREP® is presented in a variety of learner-centered educational formats to maximize learning and meet the individual needs of the attendees.

**Lectures:** Cognitive, didactic presentations to the full audience on a variety of topics in neonatal-perinatal medicine followed by a brief question-and-answer period.

**Interactive Mini-Lectures:** Presentations to a moderate-sized audience, with audience participation and reinforcement of key lecture points facilitated by the use of an audience response system.

**Group Case-based Discussions:** A series of patient-focused case study presentations delivered in group settings. These highly interactive sessions are related to the lecture topics and encourage attendees to participate in lively discussions about practice-related issues.

**Mock-Review Question Sessions:** Interactive sessions posing review questions to which the audience responds and then hears preferred responses.

**DISCLOSURE OF FINANCIAL  
RELATIONSHIPS AND RESOLUTION  
OF CONFLICTS OF INTEREST**

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

*The content of this CME activity does not necessarily reflect the views or policies of the AAP.*

**SCHEDULE AND FACULTY**

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit [www.pedialink.org/cmefinder](http://www.pedialink.org/cmefinder) for schedule, faculty, and session updates.

## REGISTRATION

Using your VISA, MasterCard, American Express, or Discover, fax your registration to **847/228-5059 or 847/228-5088 or, call toll-free, 800/433-9016, option 3.** Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card and educational track selection ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly. Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.

## SYLLABUS

As part of your registration, you will receive course materials that support and augment information provided in the educational sessions. This comprehensive syllabus is designed to be a valuable take-home reference tool and will be provided in hard-copy and on a flash drive. You will receive both formats of the syllabus onsite.\*

*\*If you wish to opt out of a paper version of the course syllabus you will receive \$50 off your registration fee. If registering online, use the promo code NEO12 to reduce your registration fee.*

## SPECIAL NEEDS

The AAP is sensitive to the special needs of its attendees. Please indicate any accommodations on your registration form.

Scooter and wheelchair rentals are available by contacting ScootAround, Inc., toll-free at 888/441-7575, by email at [info@scootaround.com](mailto:info@scootaround.com), through their web site at [www.scootaround.com](http://www.scootaround.com), or by fax at 204/478-1172.

## CANCELLATIONS

Cancellations must be received by January 6, 2012 to receive a refund. An administrative charge of \$50 will be deducted.

## UNABLE TO ATTEND?

While nothing replaces the experience of being at NeoPREP®, not everyone can attend in person. If you can't be there, you may order an MP3 or CD-ROM package of the lectures and concurrent sessions recorded at the course, which are synced with the presentation slides. To order the recordings, please call Digital Conference Providers at 630/963-8311 for pricing and shipping information. The course syllabus, which includes handouts from all sessions, is also available for purchase. After February 19, 2012 call 800/433-9016, option 3 to order your syllabus.

# NEW ORLEANS, LOUISIANA

“The Big Easy” beckons, but if your time is limited, here are just a few “must-see’s” that are sure to whet your appetite to return. New Orleans is one of the most lively cities in America. The French Quarter area offers many entertainment options, music venues, and dining experiences. The Court of the Two Sisters, a longstanding N’awlins institution, is famous for both its leisurely Sunday champagne brunches and the Dixieland, blues, and jazz musical talent it rotates through its main dining room and outdoor courtyard during the course of a meal. One of the many things that New Orleans is famous for are the square, powdered sugar doughnuts called “beignets,” and the Café Du Monde is where to find them. The café dates back to the 1860’s and is the perfect spot for an evening cup of chicory coffee and relaxation after a long day of learning. Are you bringing the kids with you? There’s plenty for them to do, too. They’ll enjoy everything from up-close encounters with alligators in the swamps to watching acrobatic entertainers in the streets. On a sunny day, visit the Audubon Zoo to see hundreds of different types of wildlife. If it’s rainy, enjoy the magnificent creatures in the Aquarium of the Americas, which houses 15,000 sea life creatures, representing nearly 600 species. To learn more about the area, go to [www.neworleansonline.com](http://www.neworleansonline.com).
