Rules and Regulations at Tabletop Exhibitions

Display Regulations - Distribution of printed material by the industry or its agents is limited to the area rented by the industry sponsor in the AAP Exhibit Area. Signage for product or activity promotion is NOT permitted outside the space contracted. Only those products listed on the exhibit application may be exhibited. Additional products for display must have AAP approval prior to the exhibition.

Tabletop Displays will be located in the Hyatt Regency Minneapolis; table assignments will be made on-site on a first-come, first-served basis. A tabletop display is defined as not exceeding 60" in height, 72" in width, and 24" in depth and not obstructing exhibit space to the left and right of the table. All materials must be placed on the table provided, and may not extend beyond the front edge of that table.

Should a display require electrical, phone, or Internet access it is understood to be the responsibility of the exhibiting company to make the appropriate arrangements with the AAP Meeting Services Manager. All expenses connected with these services are also the sole responsibility of the exhibiting company.

Booth Activity - Demonstrations or live interviews must be confined to the limits of the space contracted. Special promotional activity must have prior AAP written permission and must be contained within the space contracted. Audiovisual and other sound effects must be regulated so that neighboring exhibits are not disturbed.

Food products may not be distributed unless they are products being promoted at the display or they are used to demonstrate the company's product(s). Any exception to this policy must be approved by the Academy prior to the exhibition.

Giveaways - The American Medical Association has adopted guidelines governing gifts to physicians from industry. These guidelines have been endorsed by the Academy and other medical organizations and by the Pharmaceutical Manufacturing Association.

Novelty gifts or souvenirs not manufactured by the exhibiting company must be submitted to the Academy for review. These premiums should be items that can be used during the meeting or in the professional activities of the attendee.

The Academy may withhold or withdraw permission to distribute souvenirs, advertising, or other material it considers objectionable. Exhibitors may not distribute stick-on emblems, buttons, unofficial badges, or company nameplates. No balloons may be used as display decoration or inflated to distribute to visitors to a display.

PRIZES, SPONSORED CONTESTS, OR DRAWINGS ARE NOT PERMITTED DURING THE MEETING.
Promotion of sponsored drawings after the meeting is not allowed in the exhibit area or in any part of any facilities utilized by the Academy.

Market Research - Market research companies will be assigned space ONLY if space is available and if the research is being done for a company exhibiting elsewhere in the exhibit area. Research companies MUST submit an application for space along with a letter of authorization from the sponsoring company. If space is NOT available in the exhibit area, it is strictly forbidden to solicit members for the purpose of market research in any part of any facilities utilized by the Academy.

No Smoking - The Academy has established a no-smoking policy for all AAP meetings. This policy applies to the exhibit area as well as all lounges and meeting rooms.

Security - Overnight security will not be provided by the Academy. Upon request, the Academy will provide a secure room in the facility where items can be stored on a nightly basis. However, all property of the exhibitor is understood to remain under the exhibitor's custody and control.

Sponsorships - If your company is interested in sponsoring a breakfast, coffee break, luncheon, or other event, please contact the AAP Department of Development, 847-434-6773.

Contract for Space - The information contained in the Exhibit Space Application, the Rules and Regulations, and the confirmation packet constitute a contract for the right to use the space allocated. In the event of fire, strikes, or other unavoidable occurrences rendering the exhibit space unfit for use, provisions will be made for the Exhibition to be held elsewhere. In the event of such restriction or eviction, the Academy will not be liable for any refunds for rentals or other exhibit expenses.

The Academy assumes no liability for any act of omission or commission in connection with this agency, including, but not limited to, any loss or damages suffered by an exhibitor as a result of any act or omission of any vendor, service provider, or other exhibitor. Exhibitors and their representatives hereby release the American Academy of Pediatrics from any and all liabilities for loss or damage ensuing from any cause whatsoever, except for claims for damages or injuries resulting from the Academy's failure to fulfill its obligations as set forth in this packet.

In addition, each Exhibitor assumes responsibility and agrees to indemnify and defend the Academy and the Hyatt Regency Minneapolis and their respective employees and agents against any claims or expenses arising out of the use of the exhibition premises.
